“

"The value of this system becomes quite obvious when you can generate an Order from a Quote in seconds, with a detailed MRP and Job Status that has Real Time Tracking and Costing features."

Tim Hayden - Sargent Metal Fabricators (Anderson, SC)

“

ProfitFab® ERP

ProfitFab® ERP is designed from the ground up in job shops just like yours.

The design offers your company the ability to easily implement and streamline daily operations - from Estimating to Invoicing - allowing you to **quickly gain complete control of your business.**

The Full Enterprise Resource Planning Software Package Includes All Modules:

- Job Quoting Software
- Job Estimating Software
- Job Order Entry Software
- Job Machine and Labor Tracking Software
- Employee Time and Attendance Tracking Software
- MRP Software
- Inventory Control Software
- Production Scheduling Software
- Employee Productivity Software
- Customizable Reporting Software
- Invoice Export to Popular Accounting Packages (e.g. Peachtree, QuickBooks)
- ODBC compliant, export data to Excel, Access, Crystal Reports, etc.
- Customizable Reports

ProfitFab is designed for the Sheet Metal, Plastics, Machine Shop, and all other OEM and Make-to-Order Manufacturers. Our competitors include JobBOSS, Shoptech E2 Shop Systems, Visual Manufacturing, FabriTrak, Global Shop Solutions, and others. We invite you to compare our software to theirs. **You will find real value in ProfitFab® ERP.**

ProfitFab® ERP is a completely integrated manufacturing software solution. It is not broken down into bundles or modules that must be purchased separately in order to meet your needs. **Receive everything you need all in one package.**

ProfitFab is the Most Affordable, Reliable, & Supported ERP Program On The Market.
